EXECUTIVE REPORT

Dear Fellow Uncle Bobs,

This is my first Executive Report as Honorary State Secretary. My name is Daryl Gates proudly elected as Honorary State Secretary at the Annual General Meeting on 11 October 2009. It is with honour that I accepted this role. There have been so many great Secretaries' before me I pray that I can fill the shoes and expectations needed for this prestigious position.

I do not have a lot to report at this stage as I have only been in the position for 2 weeks when asked to do this report. So far, I have taken minutes at a State Committee Meeting. Thank you Lesley for back up. Lesley and Chris do a fantastic job in the office. My e-mail box is empty, I know that will fill quickly, my phone has not been ringing off the hook, and I know all this will change as you get to know me.

So I would like to take this opportunity to introduce myself. I am 51 years old. I consider myself to be a hand's on type of person. If I have the ability I will do the task for you, if unable I will find a person or persons that can. I do not take kindly to the words *it can't be done*. I have been on State Committee before, back in the 80's when we became a company and served on State Committee for some years. The only reason I left was that I moved to Queensland. I can hear a few of you now saying I should have started a Branch up there, sorry to disappoint you all but I found it hard to get Queenslanders to donate to a Victorian Club, funny about that. Unfortunately, I had a pretty serious industrial work accident whilst working on a coal mine. At the age of 37 to be told you cannot physically do what you used to do hit me rather hard. I was determined this was not going to stop me, so off to rehab I went daily. During this time I also had a family separation leaving me on my own. Life was tough and I ended up moving back to Melbourne to be assisted by my family, this was hard to do, as I said before, I do not like the words *it can't be done*, but I had to concede I needed help with some physical

day-to-day chores. My children had also moved down to Melbourne and I wanted to be near them. I have 2 beautiful daughters 20 and 15 that both live with me now.

I did not handle it very well that I was unemployable because I have ongoing injuries and I had a work cover claim. So I formed a business, I am an electrician by trade and the business was testing and tagging of electrical equipment on the proviso I had a person doing my physical work for me. My partner and I have built such a reputation in the field that work has doubled every year and I have had to sell the business because I cannot keep up physically.

So that now brings me to the position of Honorary State Secretary of which I accepted to keep my mind active and to also help so many of you wonderful volunteers that give of your time so freely all for the children. I admire you all and am impressed continually by your dedication and commitment. I only hope and pray that I can do well in this position.

I will conclude this long letter with a word of advice. "If you don't think you can make the meeting think twice because you never know what you will be nominated for if absent."

UBC WEBSITE

The directors of the UBC are pleased to announce that we have a new website.

Thanks to Bronwen Lamond, **sponsor-ed®** have come on board and set us up as their first not-for-profit website. Our site is a trial not-for-profit site, as **sponsor-ed®** develops websites primarily for schools.

The hope of the directors is to have the site updated regularly with news, events and articles.

Can we please ask that if you have Internet access you take a look at the site, which is www.unclebobsclub.org.au. You will note the orange box towards the top right hand side of your screen that says, "Make This My Homepage". We would like to ask that if at all possible you make this site your Home Page. If we start to get enough hits on a daily basis we will be paid by **sponsor-ed®** and the more hits we get will increase the amount of money we can make.

Also we would like Branches and Groups to have their own details on the site, such as contact details, meetings dates and any events they may be running. So if any of you want anything on the website please contact the office via e-mail at ubc@alphalink.com.au.

At present Ian Jager, Cameron Willey and Chris Binion are looking after the website. We are about to have the assistance of our two new directors as well, in Daryl Gates and Matthew Lee.

Please take a look at the site and by all means, any feedback would be great.

Pics from the Past

We often say the Uncle Bobs Club is made up of a large collection of Families. Once a Family is involved it is very hard to avoid being involved in this great organization and to prove this point can you work out who this young person is?

Both his Grandfathers have been Directors of the club. Both his Grandmothers have been members for a very long time and one in particular has been a member even longer than his Father. His Mother and Mother in law are long time members as is his Father in law who is also a Director of the club. Even his wife is a member.

Joined up as member on the day he was born by one of the Club Directors he has been involved in all aspects of the club including a Jenny Ruff Junior Achievement Award. Of recent times he became a Director of the Club himself.

This young man's history with the club is like many of the families involved around the State. As a group of volunteers we certainly achieve a lot for the sick children who need our help in the community. But along the way our young people learn about teamwork, they develop people skills and they get to realize that it's not only about them. They see those in the community who also need help, through their life and through Uncle Bobs they can do something about it.

And while our young person couldn't even lift this lot of tins at this age, he can now lift twice as many at one time and has seen many thousands go to the counting room each Good Friday for the Royal Children's Hospital Good Friday Appeal.

Luncheon at the Royal Children's Hospital

A luncheon on Saturday 24th October 2009 was organised by Dinah Reddihough and Bob Willey. The luncheon was an opportunity for the Club to visit the Hospital, see the new building under construction, also a presentation of what the new hospital will look like. I can tell you it was very impressive and informative. It was also an opportunity for Members of the State Committee to meet with

Associate Professor Dinah Reddihough, Director, Developmental Medicine
Associate Professor Andrew Kornberg, Director of Neurology
Mrs. Michèle Spreckley - Manager, Uncle Bobs Child Development Centre
Julie Webber, Manager, Public Affairs

UBC Travelling Scholarships for 2007 and 2008

The 2007 UBC Travelling Scholarship was shared by two people –

- **Raffaella Calafiore** who works in Paediatric rehabilitation as a Social Worker, will attend a Family Therapy course at a European Summer School

(Continued on page 7)

- **Anthea Greenway** will spend a year with the paediatric haematology department at Duke University Medical Centre in the US

The 2008 UBC Travelling Scholarship was won by –

- **Chiara Tewierik**, Senior Neurosciences Physiotherapist, Physiotherapy and will use the scholarship to travel to London to visit 2 different hospitals over 5 days, then fly to the US to visit 4 more hospitals. Whilst there she will perform structured investigations and analysis of the role of the Physiotherapist in Neuromuscular disorders in internationally renowned clinics in the UK and USA

The directors of the Uncle Bobs Club will be in touch with these previous winners in the near future and see if they are available to guest speak at an upcoming General meeting. The 2009 Scholar will be presented with their badge at the RCH Annual Meeting during November.

GOOD FRIDAY APPEAL REPORT

As we all wait for the big jolly man in the red suit, some of us are also waiting for the Easter Bunny!! Yep... wouldn't you believe it but your Good Friday sub-committee has had its first meeting and is in the throngs of organising yet another magical Good Friday Appeal on behalf of the Uncle Bobs Club.

Now, we may not have anyone as mystical as the two creatures mentioned above but we have someone very special in the "hot seat" being our new Convener, John Traill. I am sure that you would agree that John has had many years to prepare for this challenge and I am sure that with the support from the GFA sub-committee, he will do a wonderful job. Welcome aboard John. As in previous years, Colin Wedd has been elected his 2IC and will pick up any odds and ends that John won't be able to do. Don't worry John, you are in safe hands.

So, what's happening you ask? Not a great deal at this stage....it's only early but really, one cannot rest, as Easter will soon be on our doorstep.

While many of you would have gathered together for your retrospective Branch and Group Annual meetings, a group of volunteers gathered at the MCG again to sell the AFL Premiership poster. As you will already know, we lost our much loved WEG last year and now Mark Knight (cartoonist for the Herald Sun newspaper) has taken over creating the posters for the winning team. I am sure that Mark will be able to create some lovable

characters with the years to come (hopefully more Geelong ones!) and hope that everyone takes him under our wings like we did with WEG. Now...you know that Geelong won the Grand Final (sorry to rub that in to Saints supporters) and even though the Cats supporters were a little waterlogged having sat through the game in the pouring rain, the Club still managed to collect \$16,811.90. A very big THANK YOU to Ian Jager and his band of brave volunteers (even members from Nathalia Branch and the MFB), for subjecting themselves to the elements (and the exhausted supporters) and raising such a great total. If you haven't purchased a poster yet and would like to, there are still some in stock, so please contact either Lesley or Chris at Head Office to make your purchase.

There are a couple of other projects in the early stages of planning which I will update you on in the March edition so stay tuned for that!

On behalf of the UBC GFA sub-committee, I would like to wish all Uncle Bobs a very Merry Christmas and a SAFE and Happy New Year! May 2010 bring you good health, good luck and plenty of wonderful memories to cherish.

Kayley Wedd
GFA Sub-Committee

Reports from the Branches:

ST ARNAUD BRANCH

The St Arnaud Branch of the Uncle Bobs Club (UBC) recently held our Annual meeting for which the following members were elected to the following positions -

Branch President:	Gordon Wright
Branch Vice Presidents:	Frank James & Anne Geraghty
Branch Secretary:	Diane Wright
Branch Treasurer:	Bob Wooley

In other news the market continues to go well although we have had two markets washed out this year. But this is not a bad thing though as the crops & gardens received a much-needed drink from Mother Nature.

Also Club members helped to clean up the show grounds after our show. As well as that we also cleaned up the St Arnaud Racecourse on the Sunday after the St Arnaud Cup meeting.

As this is my first report, I hope I have not embarrassed myself too much.

Until next time

BENDIGO BRANCH

Our Branch Annual meeting was on the 2nd of September. There was a great attendance from members and invited guests. Thank you to Neil Spitzer and Charles McLean from State Committee, Eموke and Tom Bakacs from the Appeal Office for coming to our meeting.

Neil spoke about the State Annual General Meeting that was coming up and he said that the State committee warmly welcomed Chris Binion as a permanent staff member. Eموke showed us a DVD on a child that has been helped by the Royal Children's Hospital. It was great to get an inside story, seeing how things work at the Hospital. She also showed us a DVD on how the new hospital will look when it's finished and where it's at now, which will be great. Both Neil and Eموke told us a story about the nine cranes that line the skies above the new RCH, how each crane has been named after a child who has been a patient, or is still a patient at the Hospital.

At our Annual meeting Frank Cantwell was awarded a Plaque of Appreciation for his long service towards the Club in the many rolls he has undertaken since he joined on the 7th July 1996. Ian and Evelyn Robertson received Certificates of Appreciation for their hard work, Ian as Branch Secretary and Evelyn as Branch Treasurer, plus running fundraising events.

They both became members in 2005. We would be lost without all their hard work. Congratulations to Frank, Ian and Evelyn!

Garage Sale items October 3rd Bendigo

**More Garage Sale items!!
October 3rd Bendigo**

So far in 2009 we have sent down to Melbourne \$5,000.00 UBC funds and \$65,123.85 GFA funds, which is an outstanding effort. We are very

happy knowing that the money raised will, and has, helped the sick children in so many ways. Bendigo Branch has raised this money from our monthly BBQ, Garage Sale, our big Christmas Raffle, UBC membership and not forgetting the home banks.

Our Garage sale was on the Saturday 3rd of October, where we raised \$1,400.00. We started off with a small working bee on the 27th of August to price items that we had. Then on the Friday 2nd from 10am to 4pm we set up and finished the pricing. Everyone was so happy with the generous amount of donations, which enabled us to we fill the hall, as you can see in the photo.

Karl Ross putting away the electronic whiteboard at the end of the day

I would like to thank all the members who helped in so many ways with this great Garage Sale.

From your donation of goods, to making cakes for members to eat while we worked, picking up donated goods and just being there both on the Friday and Saturday. We had 17 helpers, which was great. It was an enjoyable, fun filled and successful day. Thank you all.

At our Garage Sale we had an electronic whiteboard. If you know of anyone who is looking to buy one please let us know.

This year the Christmas raffle will start on November 16th for three weeks. We have some great prizes. Just to name a few we have a Food Voucher from Coles valued at \$200.00, a large traditional Christmas Cake valued \$150.00 and a smaller Christmas Cake valued at \$80.00, along with a Petrol Voucher for \$100.00 and Meat Voucher for \$50.00. And a Large Christmas Teddy Bear.

To finish off this great raffle and our very successful year we will be having a Christmas tea on the 9th of December at the New Market Hotel, Charleston Road from 6:30pm. All most welcome.

Thank you Bendigo Branch members for a great year.

To all Uncle Bobs have a happy and safe Christmas!

KYABRAM & DISTRICT BRANCH

Hi from Ky!

I'm happy to say that at our October meeting at Ky West Hotel, Hugh Smith put his hand up to take on the Secretary's job. I feel sure he can do a good job. Without his help our Branch was looking a bit sad.

Our golf day was quite successful with 42 players. Our sponsors provided good prizes and all raffles were well supported. Paul Weller MLA and the Hon Dr Sharman Stone MP (both Life Subscribers) donated dinner for 2 in Melbourne and a tour of Parliament House in Canberra, both were well received.

(Continued on page 11)

Golf Day Raffle winners -

1st Prize - Sports Bag - Margaret Moore

2nd Prize - Casserole Set - Tina Stockdale

3rd Prize - Bottle of Wine & Corkscrew- Pat Stock

The Branch would like to thank Cheryl for her hard work over the past two years as Branch Secretary.

Best wishes to all Uncle Bobs for the Festive Season and for 2010.

WEST GIPPSLAND BRANCH

Branch Annual Meeting

On Sunday 27th September the Branch conducted its AGM at the Warragul Bowling Club. Twenty members and friends attended, our guest speaker was Brian Grist who gave the meeting an interesting address on wood turning which was very well received by the meeting.

Bob Willey attended along with State Vice President Bronwen Lamond. Bob Willey installed the Office Bearers. They were as follows –

Branch President: Brain Giblin

Branch Secretary: Karen Lindorff

Branch Treasurer: Kevin Potter

Committee: Joyce Lindorff, Hazel Wells & Jo Giblin

With power to add

Little Tatts

Winners of draw 107 are as follows -

E. Hanley, UBC, Dorothy Pratt (3), Edna Spears, Doris Linklater, Mark Walkinshaw, Kevin Potter & Joyce Bravington.

State AGM

On Sunday 11th October at the Royal Children's Hospital members of the Branch attended the Annual General Meeting held at the Ella Latham Theatre. Branch members Daryl and Betty Williams attended, and as they have never been inside the RCH this was a treat for both of them. They are both Life Subscribers. Mark Walkinshaw & Kevin Potter also attended.

Sausage Sizzle

On Saturday October 17th the Branch conducted another very successful sausage sizzle at Coles in Warragul. Our volunteers were Kevin Potter, Robert Kippen, Jan Roberts, David Holley, Andrew McLean from Cranbourne, Brian Giblin, Karen Lindorff & Ken Hutchison. Our income was \$228.00, expenses of \$60.00 so we made a profit of \$167.00. Well done to all!

Good Friday Tins

Warragul Motor Wreckers recently handed their Good Friday tin in to be counted by the Treasurer. There was \$248.45. Well done to Graeme Stapleton and his staff for there contributions towards the Good Friday Appeal.

Also Brian McLean at V/Line in Warragul handed their Good Friday tin in to be counted. This brought in the amount of \$106.45 making a total of \$345.90. Well done to both companies for their wonderful contribution for this wonderful cause.

Loss of a Member

The Branch lost another good member recently when long time member Wayne Roberts passed away. He leaves behind a wife, Lynne, and family. To Lynne and family, the Uncle Bobs Club offers their deepest sympathy to you all. We will miss you Wayne!

Wayne worked with John Heenan Plumbing services. His work mates will no doubt miss him too as he was a good work mate and was always willing to help out where ever possible. Lynne will take over his membership. Wayne's funeral was held on Tuesday afternoon and he had a very big funeral, the church was full in fact. The church could not fit everyone in that's how popular Wayne was. Everyone who knew him wanted to pay their respects to Wayne. So long mate!

PENINSULA GROUP

A big hello to all Uncle Bobs throughout the state!

Down here on the Mornington Peninsula we have enjoyed a wet couple of months. We have welcomed the rain, just as everyone else has, and it has been great for the farmers and for our water catchments.

We are now preparing for the Gippsland Regional Zone Annual meeting and our Christmas Raffle.

This year the Gippsland Regional Zone Annual meeting will be held at the clubrooms of the Hastings Senior Citizens on Sunday 22nd November at 2.00pm. Preceding the meeting all are welcome to join us for lunch at the Hastings Marina from 12.00 Midday. This is a great time for fellowship before our meeting.

The Christmas hamper has been put together and the raffle tickets have been organised. Selling of the tickets will commence at the end of November.

We are looking forward to Christmas and we wish all Uncle Bobs a happy, safe and healthy New Year.

BELLARINE GROUP

The Bellarine Group have been predominately operating out of Drysdale for the last 18 months and while our membership is still small we have been involved with The Easter Egg and Christmas Raffles, Football poster sales, Head Office raffles, the Brownlow competition as well as the odd local raffle, Gold club membership and of course the jar and tin collections.

(Continued on page 13)

Gloria Light with Arlian after drawing Winter Raffle at Woolworths Drouin 7/8/09

We had a very successful indoor bowls day with 68 players from 13 different clubs being represented. The David W Bull prizes were won by two Drouin teams with runners up from Trafalgar and Drouin. All players and helpers enjoyed both the luncheon and afternoon tea provided by our Drouin Uncle Bobs.

Our Annual meeting was held on the 9th September and guess what, Val is still Group President and I remain Group Secretary/Treasurer. There is no branch stacking in our Group!

We did apply for and have been granted the role of hosting the 2010 Uncle Bobs Club Annual General meeting on Sunday 10th October 2010, to be held at the Drouin Bowling Club.

Our next fundraiser to help the sick and handicapped children of Victoria will be our Christmas Raffle. We have approached some local businesses for prizes for our raffle. We do hope the weather will be a bit kinder for our ticket sellers.

We will again hold our stall at the Ficifolia Festival. Finding things for sale is a challenge, but our Group will suffice.

Compliments of the season to all.

Bye for now

A few of our members also get involved with the Good Friday Appeal including, last year Dianne and Nicole Nash from Wallington who went up to the Dome and face painted all day to raise money for the Appeal.

The Drysdale Village Hardware Shop and Drysdale Vacuum Shop has been the base for many of the activities with help also coming from the Drysdale Hotel, Wallington M10 Hardware and the support of the Bellarine Historical Society members.

Thank you to all those who have been involved so far, we are like the Home Banks. We do a lot of small things, we are growing and it is amazing how much we collect in the course of the year.

From all the Uncle Bobs members on the Bellarine, we hope all members from around Victoria have a happy and safe Christmas and New Year.

FORM OF BEQUEST

A will is one of the most important documents we will create and is necessary so that loved ones left behind are not forgotten. Often a person also has a desire to help others outside the immediate family. A gift to charity can assist in making life easier for those in need of specialist attention.

When making or altering your will, please remember the constant needs of the Uncle Bobs Club and its endeavours to help the sick and disabled children of Victoria.

For assistance, it is suggested that the following form of bequest may be included in your will.

FORM OF BEQUEST I
of
Give and bequeath the sum of \$

to Uncle Bobs Club of Unit 4, 41-43 Allied Dve, Tullamarine, Victoria for its general purposes and I declare that the receipt of the Treasurer or other proper officer of the Uncle Bobs Club shall be sufficient discharge to my executors for the said legacy.

PLEASE NOTE:

The Uncle Bobs Club is pleased to inform you that our honorary solicitors, Pearce Webster Dugdales, 379 Collins St Melbourne, have indicated that they would be prepared to make wills without charge to people making a bequest to the Club.

The Club extends its grateful thanks to Pearce Webster Dugdales for their invaluable and ongoing support of our organisation.
